

Sri Lanka Ministry of Defence & Health Allocation Over Time As a Percentage of GDP

*Figures for 2021 are Revised estimates. ** Figures for 2022 are Estimates

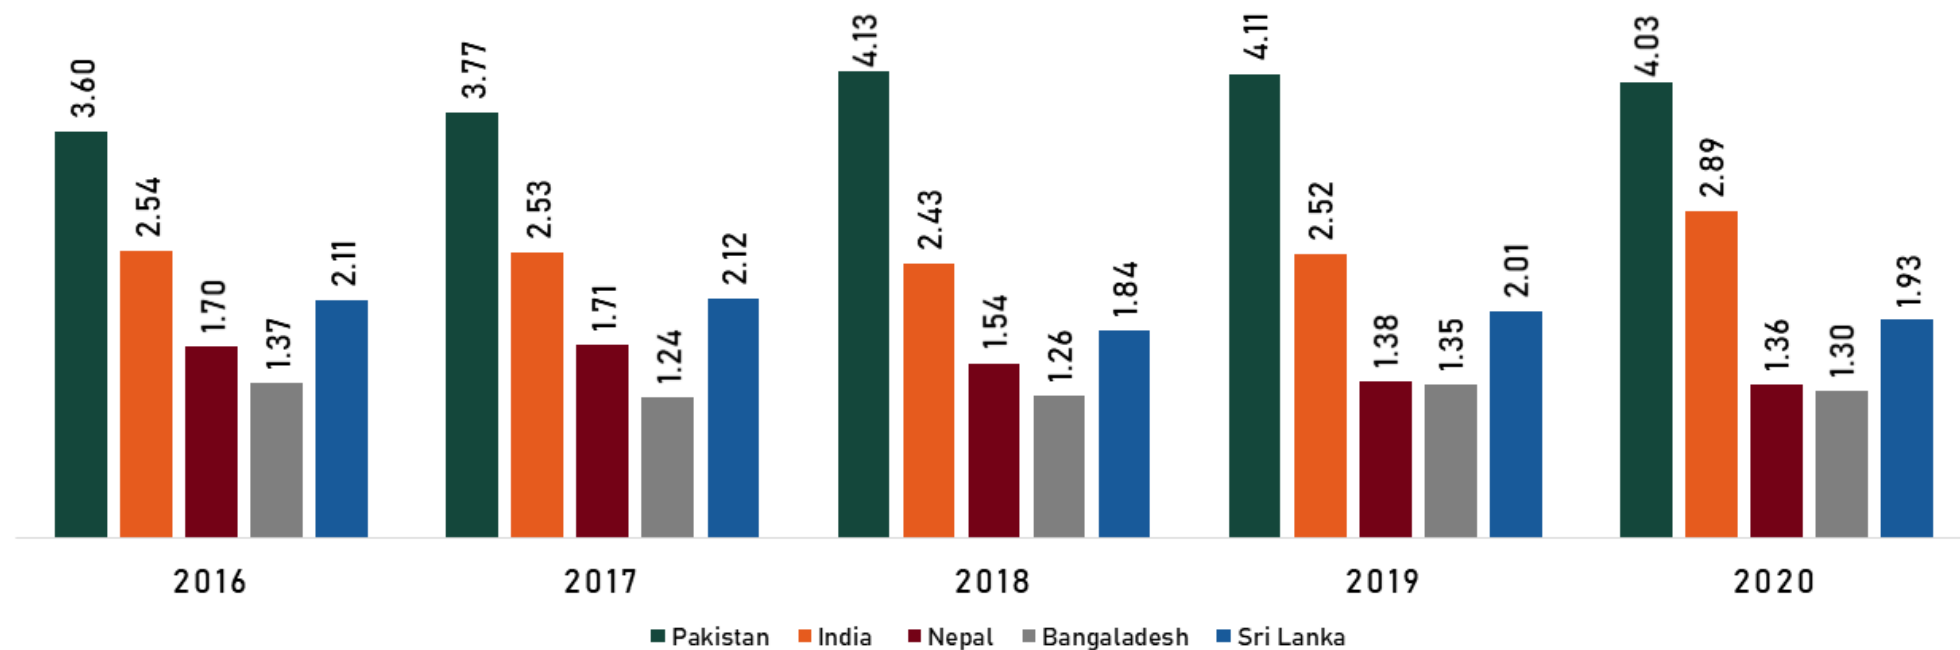

Note- Allocation of the ministry of health is excluding provincial council allocations. MoH allocation from 2020 onwards is inclusive of; State Ministry of Production, Supply and Regulation of Pharmaceuticals

GDP for 2021 and 2022 was calculated by growing the 2020 GDP with Verité Research own prediction of nominal growth for 2021 and 2022. Rational can be found in the Public Report on the 2022 Budget

Available at https://www.veriteresearch.org/wp-content/uploads/2021/12/VR_ENG_RR_Dec2021_Public-Report-on-the-2022-Budget-Assessments-of-the-Fiscal-Financial-and-Economic-Assumptions-used-in-the-Budget-Estimates.pdf
